All TAPT Active Members,

Greetings from your Ex-Officio/Nominating Chairman.

With the new school year now underway, it is time to consider running for one of the upcoming 2018-19 Executive Committee positions that will be open for election during our conference in Corpus Christi.

The following positions will be up for election this year:

- *President-Elect – must have served one year previously on the Executive Committee to be eligible.
- *Treasurer (2-year term)
- *Secretary
- *Historian
- *Parliamentarian
- *Area 1 Director (2-year term)
- *Area 3 Director (2-year term)
- *Business Associate (2-year term)

If you are an active member and interested in running for one of these positions to help support this great organization, you will need to complete 4 items to be considered for nomination by the Executive Committee.

1. A Letter of Support from your district.
2. Biography
3. Picture (head and shoulders shot is best), and
4. Receive and verify acknowledgment of the position job description.

If you are interested in running for one of these positions, please contact me at jim@tapt.com or (281) 245-2992. At that time you will be provided a copy of the Letter of Support to be signed by your district and the job description.

For additional information regarding each TAPT position and the election process, visit the Members Only section at www.tapt.com to review the Constitution and Bylaws.

For consideration to be placed on the initial ballot by the Executive Committee, I will need the required information by January 19, 2018.

Thank you for considering running and have a great school year!

Jim Abney
