PPT001-36: June 15-18, 2012 • Riverside Campus • Bryan, TX

School Bus Driver “Train-the-Trainer” (PPT001)

You will learn how to prepare drivers to properly maneuver a school bus. The course presents a standardized methodology for mirror usage, backing, turning, parking and emergency maneuvers. You will learn and practice recommended teaching techniques and documentation. Each participant will receive a trainer’s manual and follow-along driver’s manual.

Topics:

- Teaching Techniques
- You and Your Bus
- Precision Backing
- Field Evaluations
- Parallel Parking
- Stepwell Tactics
- Documentation
- Final Implementation
- TAPT Certification Overview
- Individual Consultation

Length: 30 hours **Fee:** \$535 per student

Audience: New and experienced trainers who want to increase their skills in both classroom and behind-the-wheel training techniques. Supervisors for school bus driver training programs.

Prerequisites: Current Commercial Driver License (CDL) A or B with Passenger Endorsement.
