Who We Are...

The Texas Association for Pupil Transportation (TAPT) is a non-profit 501c3 professional association with educational and charitable mission and goals, formed to provide state-wide support for school district transportation departments for the enhancement of student safety.

TAPT works to improve pupil transportation policies, standards and equipment both locally and nationally.

Our Story...

TAPT was organized in 1972. Its Membership has grown to almost 1600 members.

Our mission is to enhance and promote safe, effective and efficient student transportation operations by encouraging the exchange of ideas through our Professional Development and Certification Program and Annual Conference and Trade Show—the largest State School Bus Industry Trade Show in the nation!

~
